

POINT INFORMATION & MEMBERSHIP FORM

Circuit Awards will be pointed on a **one horse/rider combination** for the season. A member may show more than one seat on the same horse but will need a number for each seat ridden and a separate entry fee will be paid for each horse/rider/seat combo. A member may also show more than one horse for year-end awards but each horse will require a number to tabulate points and will pay a separate entry fee. We are offering a discount on the Green Horse division if you are showing in another division as well. If you are riding in an open division and wish to show in Green Horse as well, the day fee for adding Green Horse will be \$25.00. If you are only riding in the Green Horse division and are not cross entering any other division, regular fees will apply.

Example #1: Mary on “Charger”, rides Jr English, pays day fee of \$40.00 for all her English classes, (per class fee would equal \$60.00 for all 6 classes she could show in so the day fee saves her \$20.00) Now, Mary also wants to ride “Charger” in Jr .Western so they pay another \$40 day fee for all his Western classes. “Charger” also qualifies to go in the Green Horse division so Mary will pay a reduced fee of \$25.00 for the day to ride in Green horse.

#2 Johnny shows up with “Whiplash” and wants to ride in just the Green Horse division, his fee for the day is \$40.00. If, Johnny wants to show “Whiplash” in the Adult Western division as well, then his green horse fees go down to \$25.00 and he pays regular fees for the Adult Western classes.

Riders are not required to attend all three shows in order to accumulate points, however, we recommend you do in order to get the greatest number of points possible. Riders are also not required to show in all the classes in their divisions, if you only want to do the riding classes and not the in hand classes, that is fine, but you need to realize your points may not total enough to get the year end award if someone else does all the classes even if they don't place as well as you do, they may total more points by entering more classes.

Membership fees must be paid in full before you show in order to qualify for year-end awards.
